## Profile View West

Cartography by:  
Brandon Kowallis & Rod Horrocks (2005)  
Map Layout & Design by:  
Brandon Kowallis (2005)

Total Surveyed Length:  
5469 feet (not including mine)

Total Surveyed Depth:  
342 feet (not including mine)

Note:  
Profiles and cross sections were never sketched, or are rare in the original notes, and are therefore not included on this map. All unending passages are unsurveyed and questionable as to their behavior.

## Main Level
